San Antonian Wins \$200

Santa Fe, NM -- Rhiannon Dougherty of San Antonio, Texas, first visited AdJack.tv on Tuesday and on Wednesday learned she was \$200 richer. She happened to be the 3,000th person to register as a member, on May 13.

The full-time San Antonio College psychology student has her mother to thank.

"My mom won a cruise from a sweepstake, so since I'm off from school for a month, I thought, what better way to spend my time than entering sweepstakes? I found my way to onlinesweepstakes.com where I feverishly entered every contest I could, including AdJack's, until I could no longer coherently type my email address. Does this make me a 'sweeper?'" she asks, laughing.

AdJack's sweepstakes allow her to do something she likes anyway, but with the added opportunity to win cash. "I actually like commercials," she says. "I've been known to actively seek out Super Bowl commercials."

San Antonio born and raised, Rhiannon shares a house with her boyfriend and two dogs. Among her favorites on AdJack are commercials for Doritos and the Miller Lite ads that feature Dalmatians.

AdJack.tv is a website where members get opportunities to win weekly sweepstakes when they watch entertaining national commercials.
