## **Virginia Mother of Three Shares CrackaJack Prize**

SANTA FE, NM -- Amber Stamper, on the job full time of raising three boys, ages 8, 4, and 2 in Williamsburg, Virginia, won the CrackaJack sweepstake last Friday on AdJack.tv.

She'll split the \$1,000 prize evenly with another winner, soon to be announced. The two matched four of the five winning numbers 15,16,10,2, and 24 in no particular sequence, and matched the AdJack number 1.

Like so many AdJack members, Stamper learned about AdJack through Online-Sweepstakes. She says she has been doing sweeps in her spare time for a few years, but the CrackaJack is one of the biggest prizes she has ever won.

"The kids keep me very busy, and I don't have a lot of time to myself. I do enjoy sweepstaking, reading, doing crafts with the kids, and baking," she says. "I really enjoy AdJack.tv. The commercials are fun to watch and quite a few of them make me laugh."
